## ABOUT FIMAST

FIMAST, the **international tradeshow dedicated to the entire hosiery industry** is a **biennial B2B** event now in its **fifth edition**. It will be held in the Brixia Forum Expo Center in Brescia (Italy). **Opening hours:** from Tuesday October 19<sup>th</sup>, 2021 to Thursday October 21<sup>st</sup>, 2021 from 9am to 6pm; Friday October 22<sup>d</sup>, 2021 from 9am to 2 pm. Unique in Italy for the sector, it offers the latest world news on textile machines for socks. Thanks to the presence of large hosiery factories, it opens scenarios for the major yarn producers in the key districts of this sector in Italy: in Brescia, the headquarters of the main machinery district for this type of article, and in Mantua for the finished product. This press release contains forecasted elements and estimations that reflect current management opinions ("forward-looking statements") especially regarding future managerial performances, investments, cash flow trends and financial organization evolution. By nature, forward-looking statements have an element of risk and uncertainty since they depend on future events. The effective results may therefore differ, even significantly, to those announced due to multiple factors including, merely by way of example: the catering market's foreign trends and tourist flows in Italy, market trends in the gold-jewellery industry and in the green economy; developments in the price of raw materials; general macro-economic conditions; geo-political factors and changes in the legislative framework. Furthermore, the information in this press release does not claim to be complete, nor has it been verified by independent third parties. The forecasts, estimations and objectives presented herein are based on information available to the Company at the press release issue date.
